

Rehabilitation Online Webinar - Pediatric Lymphedema

INVITATION

We are pleased to invite you to the AMC Rehabilitation Online Webinar, hosted by the Department of Rehabilitation Medicine at Asan Medical Center.

This special online webinar aims to bring together rehabilitation professionals from around the world to explore recent developments in rehabilitation medicine and promote meaningful academic exchange.

We are especially honored to feature Professor Pinar Borman from Ankara Medipol University Faculty of Medicine, Turkey, as our keynote speaker. She will deliver a lecture on “**Pediatric Lymphedema**,” drawing on her extensive expertise in musculoskeletal and cancer rehabilitation. Professor Borman also serves as the founding president of the Turkish Lymphedema Association.

We believe this webinar will provide a unique opportunity to deepen your understanding of global rehabilitation trends and strengthen international collaboration in clinical practice.

We sincerely hope you will be able to join us for this informative and engaging session.

Thank you for your interest, and we look forward to your participation.

May 2025
Jae Yong Jeon, M.D., Ph.D.
